Taste of Maxwell Thank you

Thank you, Thank you, Thank you to all the individuals who volunteered for Taste of Maxwell. The success of the day could not have occurred without your dedication and willingness to serve. It is truly appreciated, and words can't express how grateful we are to each and every one of you. We are forever indebted to your service.

Warm regards,

Jaime Nebbitt & Stephanie Hamilton

Spanish Classes For Parents

At last week's organizational meeting it was decided that classes will take place on Mondays at 5:00PM beginning today October 20th. Classes will take place in Sr. Mato's classroom, Room 232. Class materials will be provided. If parents were unable to attend the first meeting they may still join. Contact Sr. Mato at david.mato@fayette.kyschools.us if you have any questions.

Vote for 4th Grade Scarecrow

A group of Maxwell 4th graders was able to design and create a scarecrow that has been entered in the Scarecrow Fest contest at the Mall at Lexington Green. They need your vote to win the contest. **Judging of the scarecrows will be by public ballot and selection committee, Thursday, October 16 through Scarecrow Night, Sunday October 26, 2008. Judging forms will be available in all stores at The Mall at Lexington Green. Voting ballots must contain name and address to be counted. Judging is limited to one vote per category. Ballot box is located in Artique.** Stop by Lexington Green and show these 4th graders your support.

Cans for Cash Contest Info

Thank you to all who have begun to collect the **CANS FOR CASH!**

These are your options for participating:

Cans are to be taken directly to Wise Recycling located at 1554 Old Frankfort Pike, Baker Iron and Metal located at 740 Rockcastle Avenue, or Gordon Scrap Iron and Metal located at 637 Patterson Street anytime during the month of October- the person dropping these off needs only to tell Wise Recycling, Gordon Scrap Iron and Metal or Baker Iron and Metal personnel to "credit" **Maxwell Elementary** for contest purposes. Cans may be dropped off by friends, relatives of students, boosters, etc. Please note that Wise Recycling, Gordon Scrap Iron and Metal and Baker Iron and Metal will also "pay" for the aluminum cans dropped off at their facilities so even if **Maxwell** does not recycle enough cans to win one of the nine monetary prizes in the contest, we can still get paid for the cans we recycle.

Please note that Wise will send money to **Maxwell** at the end of the month. Gordon and Baker will pay "on the spot". You will just need to mention to give "**MAXWELL ELEMENTARY**" credit for your delivery!!!!!!!

Just like last year there will also be one optional drop-off day (this year it will be held on **Wednesday October 29**) in which cans may be brought to school. LFUCG Division of Waste Management personnel will then pick these cans up that day and transport these directly to Harry Gordon Scrap and Iron, Wise Recycling or Baker Iron and Metal where they will be recycled and credited to us.

Please note that there is no requirement to crush the cans but the cans must be empty- they cannot contain liquids. Also only aluminum cans will be accepted- not steel cans.

Thank you again for your support. We could not do it without you.
