

Los Amigos Spanish Program Support

Los Amigos, the non-profit Spanish Immersion support organization for grades Kindergarten through 12th grade, raises funds through Kroger Gift Cards. It doesn't cost anything to participate! Each time you recharge your Los Amigos Kroger Gift Card, 4% of the value is returned to Los Amigos to support the Spanish Immersion Program. Half of the funds you raise with your gift card(s) will be tracked to your child's grade to help support your class' future 8th Grade Spanish Trip. Funds raised by a grade will be shared among all students in the grade participating in the Spanish Trip.

Simply follow these instructions:

- The gift card must be recharged before you purchase. You may do this at the cash register before beginning your purchase or at the service counter. This must be done in a separate transaction and may be paid for in any manner you would normally pay for groceries (i.e. cash, check, debit card, or credit card). (Please note that there may be a few minutes delay in having the added amounts credited electronically to the Gift Card to prevent fraud).
- The gift card may then be used to pay for groceries, miscellaneous items and gas at Kroger Stores and gas stations.
- Los Amigos Gift Cards may be used at Kroger Stores anywhere in the U.S.

Additional Information:

- Multiple cards can be used in your child's name by friends and family members.
- If your card is lost or cannot be recharged, please order a new card.
- If a card has a zero balance for 90 days, it will be deactivated and you will no longer be able to recharge it. If this happens, please order a new card.
